

Trimble Forestry User Conference

SEPTEMBER 10-11, 2024 | HELSINKI, FINLAND

Monday, 9 September 2024

17:00-19:00 Registration and Pre-Conference Welcome Reception and Dinner

Tuesday, 10 September 2024

8:30 Registration Opens: Foyer					
General Session Room TBD					
9:00 - 9:15 Welcome <i>Presented by: Perttu Aunola</i>					
9:15- 10:00 Opening Remarks <i>Presented by: Kevin Toohill</i>					
10:00-10:15 Schedule of Events <i>Presented by: Michael Townes</i>					
10:15- 10:30 Break (Beverages Available): Foyer					
	Agreements/Contracts Training Track 1 Room TBD	Planning Training Track 2 Room TBD	Work Training Track 3 Room TBD	Data/Reporting Insights Training Track 4 Room TBD	Data Analytics and Insights Wedge User Group Room TBD
10:30 - 11:20	Public Forest Asset Data: Walk through how it is used and updated from a Finnish perspective <i>Presented by: Mikko Palojärvi</i>	Demand Based Work Scheduling: How to match the schedules and execution to demand <i>Presented by: Juha Käppi</i>	The Pulpwood Online Service: Weight measurement conversions by using industry real-time services. <i>Presented by: Sami Vesterinen</i>	Topic Pending <i>Presented by: Trimble Expert</i>	Welcome to Analytics and Insights track & introductions: Recent Trimble industrial data analytics system users. <i>Presented by: Trimble Expert</i>
11:30 - 12:20	Integrated Electronic Signing Procedures: Approving contracts (timber trade, measurement certificate, silviculture service and investment) <i>Presented by: Johanna Kuittinen</i>	Maintaining Plans: Efficient harvesting plan adjustments <i>Presented by: Juha Käppi</i>	Transporeon: Learn how we can help you <i>Presented by: Ricardo Ott, Transporeon</i>	Sustainability: Case study on how to report transportation and carbon footprint in supply chain <i>Presented by: Sami Vesterinen & Jaak Laineste, Transporeon</i>	User Voice: Data analytics use cases and experiences in industry vertical xx <i>Presented by: Trimble Customer</i>
12:20 - 13:30 Lunch: Clarion Hotel					
13:30 - 14:20	Planning on Purchase: Wood buyers or forest experts perspective <i>Presented by: Mikko Palojärvi</i>	Distributed Planning Model for a Transport Company: How to use/ how to build an efficient and executable transportation plan. <i>Presented by: Sami Vesterinen</i>	Serving the Certification Criteria Reporting Needs as Part of Harvesting <i>Presented by: Trimble Expert</i>	Use of Map Services in Harvesting <i>Presented by: Trimble Expert</i>	Wedge Latest Version: Introduction and release main topics demo <i>Presented by: Trimble Expert</i>
14:30 - 15:20	Organizing Forest Energy Raw Materials Procurement Chain: Using industry standard Connected Forest (customer voice) <i>Presented by: Trimble Expert</i>	Plan Adjustments: Efficient ways to change plans based on demand changes or differences between plans and execution. <i>Presented by: Juha Käppi</i>	Managing Cutting Instructions: StanForD <i>Presented by: Trimble Expert</i>	Energy Efficiency of Wood-Harvesting Operations: Fuel consumption, greenhouse gas emissions <i>Presented by: Hanna Haavikko, PhD</i>	User Voice: Data analytics use cases and experiences in industry vertical xx <i>Presented by: Trimble Customer</i>
15:20 - 15:45 Break (Beverages and Snacks Available): Foyer					
15:45 - 16:35	Contract Scenario Configuration Module: (LIMS) Configure a wide range of wood/fiber procurement and sales business cases <i>Presented by: Raj Lachumanan</i>	Land Resource Manager (LRM) Q&A: Learn more about how LRM can help you <i>Presented by: Jason Dain</i>	Pre-Planning Working Sites: Doing site preparations as a separate work phase in CFHarvest <i>Presented by: Jari Tyrväinen</i>	Governance and Evolution in the B2B Context: Digital platforms, multisided platforms <i>Presented by: Jaakko Vuolasto, Doctoral Student</i>	Roundtable: Wedge customer survey / future needs in three years horizon <i>Presented by: Trimble Expert</i>
17:30 - 22:00 Dinner Off-Site TBD: Bus Transportation Provided					

Tech Lab is Available Throughout the Conference!

Trimble Forestry User Conference

SEPTEMBER 10-11, 2024 | HELSINKI, FINLAND

Wednesday, 11 September 2024

General Session Room TBD

9:00 - 9:45	Connected Forest <i>Presented by: Stefan Lorimer</i>
9:45 - 10:45	Keynote: Execution of environmentally sound forest operations with precision harvesting technologies Presented by: Jori Uusitalo, Professor of Forest Operations and Logistics University of Helsinki Department of Forest Sciences

Tech Lab is Available Throughout the Conference!

10:45 - 11:00 Break (Beverages Available): Foyer

	Agreements/Contracts Training Track 1 Room TBD	Planning Training Track 2 Room TBD	Work Training Track 3 Room TBD	Data/Reporting Insights Training Track 4 Room TBD	Analytics and Insights Wedge User Group Room TBD
11:00 - 11:50	Electronic Contract Approvals Module: (LIMS) Customise approval workflows and approver routing <i>Presented by: Raj Lachumanan</i>	LogMap: Efficient Log Yard Management <i>Presented by: Matti Lehtola</i>	Timber Transportation Management: Including EUDR <i>Presented by: Ricardo Ott, Transporeon</i>	Topic Pending <i>Presented by: Trimble Expert</i>	User Voice: Data analytics use cases and experiences in industry vertical xx <i>Presented by: Trimble Customer</i>
11:50 - 12:50	Lunch: Clarion Hotel				
13:00 - 13:50	Improve Contract Data Entry Quality: (LIMS) User maintainable custom contract validations <i>Presented by: Raj Lachumanan</i>	Topic Pending <i>Presented by: Trimble Expert</i>	CFX/CFXMobile <i>Presented by: Leo Hopwood</i>	Best Practices in Data Analytics: <i>Presented by: Stefan Lorimer, Timo Mulju & Wedge Team</i>	Ask the Experts: Wedge Tips & Tricks and Q&A <i>Presented by: Trimble Experts</i>
14:00 - 14:50	Topic Pending <i>Presented by: Trimble Expert</i>	Weighbridge Mill Reception & Shipment Flows: (WeighWiz) Configure With/Without Auto Taring <i>Presented by: Raj Lachumanan</i>	Topic Pending <i>Presented by: Trimble Expert</i>	Topic Pending <i>Presented by: Trimble Expert</i>	User Voice: Data analytics use cases and experiences in industry vertical xx <i>Presented by: Trimble Customer</i>

General Session Room TBD

15:00 - 15:50	Keynote <i>Presented by:</i>
15:50 - 16:00	Closing Remarks <i>Presented by: Kevin Toohill</i>

Schedule Subject to Change
