

Trimble Forestry User Conference

SEPTEMBER 11, 2024 | HELSINKI, FINLAND

8:30-8:45	Welcome (English) <i>Presented by: Perttu Aunola</i>		
8:45-9:30	Keynote Session: Precision Harvesting (English) Execution of environmentally sound forest operations with precision harvesting technologies <i>Presented by: Jori Uusitalo, Professor of Forest Operations and Logistics University of Helsinki, Department of Forest Sciences</i>		
	Nordic Wood Procurement Finnish Connected Forest Customers	Forest Operations International Connected Forest Customers	Wedge User Group Meeting (Presented in English)
9:35-10:05	Welcome to Nordic Wood Procurement Track & introductions: (Finnish) Recent Trimble Connected Forest users <i>Presented by: Mikko Kerkelä</i>	Welcome to Forest Operations Track & introductions: (English) Recent Trimble Connected Forest users <i>Presented by: Perttu Aunola</i>	Welcome to Wedge User Group Meeting: Recent Trimble industrial data analytics system news. <i>Presented by: Matti Häkkinen</i>
10:05-10:20	Break		
10:20-10:50	Integrated Electronic Signing Procedures and Public Forest Asset Data: (Finnish) Approving contracts (timber trade, measurement certificate, silviculture service and investment) <i>Presented by: Johanna Kuittinen</i>	User Voice: Managing harvesting operations (English) <i>Presented by: Trimble Customer</i>	How we use Wedge: Case DS Smith <i>Presented by: DS Smith</i>
10:55-11:25	CFHarvest: (Finnish) Environmental Reporting <i>Presented by: Juha Käppi</i>	Land Resource Manager (LRM) Q&A: (English) Learn more about how LRM can help you <i>Presented by: Garry Dalgarno</i>	How we use Wedge: Case Holmen Iggesund <i>Presented by: Hannes Vornhoff, Senior Development Engineer from Holmen Iggesund</i>
11:30-12:00	The Pulpwood Online Service: (Finnish) Weight measurement conversions by using industry real-time services. <i>Presented by: Sami Vesterinen & Tapio Räsänen, Metsäteho</i>	CFHarvest Pre-Planning Working Sites: (English) Doing site preparations serving the certification criteria reporting needs as part of harvesting <i>Presented by: Juha Käppi and Jari Tyrväinen</i>	Wedge 10: Introduction and demo of new features and functionalities <i>Presented by: Mika Suojärvi</i>
12:00-13:00	Lunch		
13:00-13:30	Roundtable: (Finnish) Customer survey / Future needs in raw material sourcing and supply chain management <i>Presented by: Mikko Palojärvi and Mikko Kerkelä</i>	Roundtable: (English) Customer survey / Future needs in harvesting/field operations three years horizon <i>Presented by: Juha Käppi and Jari Tyrväinen</i>	Roundtable: Wedge future needs in three years horizon <i>Facilitator: Teemu Möykkylä</i>
13:35-14:05	Roundtable Continues: (Finnish) <i>Presented by: Mikko Palojärvi and Mikko Kerkelä</i>	Roundtable Continues: (English) <i>Presented by: Juha Käppi and Jari Tyrväinen</i>	How we use Wedge: Case Owens Corning <i>Presented by: Owens Corning</i>
14:10-14:40	User Voice: (Finnish) Organizing Forest Energy Raw Materials <i>Presented by: Tomi Bremer, Logistics Director, Metsän Voima Oy</i>	Transporeon: (English) Learn how we can help you. Freight sourcing, transport execution, dock & yard management, sustainability and transportation visibility. <i>Presented by: Ricardo Ott, Transporeon</i>	Wedge 10: The new graphics package <i>Presented by: Mika Suojärvi</i>
14:40-15:00	Break		
15:00-15:30	LogMap: (English) Efficient Log Yard Management <i>Presented by: Matti Lehtola</i>	Energy Efficiency of Wood-Harvesting Operations: (English) Fuel consumption, greenhouse gas emissions <i>Presented by: Hanna Haavikko, PhD</i>	User Voice: Data analytics use cases and experiences in industry vertical <i>Presented by: Trimble Customer</i>
15:30-16:00	Inventory Purchase Potential: Trimble (English) <i>Presented by: Mikko Palojärvi</i>	Sustainability in Transportation: (English) Case study on how to report transportation and carbon footprint in supply chain <i>Presented by: Sami Vesterinen & Jaak Laineste, Transporeon</i>	User Voice: Data analytics use cases and experiences in industry vertical <i>Presented by: Trimble Customer</i>
16:05-16:45	Keynote Session: Product Roadmap (English) <i>Presented by: Stefan Lorimer</i>		
16:45-17:00	Closing Remarks (English) <i>Presented by: Wade Brakstad</i>		
17:00-18:30	Reception
